THE MONTICELLO

FOREWORD

Later on in life when you try to recall your happiest years, you'll realize that they were the four years which you spent in high school. Perhaps you'll find recollections few and far between, for memory is so very often elusive. Then we, the staff, hope that you will remember this book. Take it out from the dark, dusty corner where it has lain forgotten, and as you glance through its musty pages, scene by scene, it will unfold itself like a panorama. You'll live again through work and play, and renew acquaintances with friends among both members of the student body and faculty. With this thought in mind, we present this—the 1944 MONTICELLO.

DEDICATION

WE PROUDLY DEDICATE THIS THE 1944 MONTICELLO TO ONE OF THE MOST BELOVED MEMBERS OF THE JEFFERSON FACULTY; TO ONE IN WHOM WE HAVE FOUND THE RAREST COMBINATION OF GRACE, CHARM, PATIENCE, AND INTELLIGENCE; TO OUR SPONSOR AND ADVISER, WITHOUT WHOSE GUIDANCE AND INSPIRATION THIS ANNUAL MIGHT NEVER HAVE BEEN PUBLISHED;

TO MRS. VERTA COX.

Mrs. Verta Cox

DIRECTOR

Mr. D. W. Waters

The esteemed director of Jefferson, better known as Mr. D. W. Waters, *Principal*, is well liked and respected by the whole cast. We sincerely appreciate his cooperation and whole-hearted enthusiasm in all of our undertakings.

ASST. DIRECTOR

To our well-known and beloved Assistant Director, Miss Elfrieda Colwell, we are deeply indebted for her graciousness and power of understanding all of our trials and tribulations.

STAND UP AND CHEER

R. O. T. C.

In 1939 the Jefferson R.O.T.C. unit was organized. To command the newly-formed battalion three boys were made non-commissioned officers. Sgt. C. C. Bond was placed in charge in 1941 and sabers were purchased by seniors from donations of Tampa merchants. Commissions were granted the same year. The R.O.T.C. unit was awarded the General Summerall Trophy for "Excellence" in R.O.T.C. competition. Then in 1942 the Jefferson rifle team won the Fourth Corps Area Rifle Match with an 891 score out of a possible 1000.

JOHN H. COX
Sergeant

The first semester Gene Shewfelt was commissioned Lt. Colonel, and served until his graduation in January. Then Myrofe Fadial took command with Edward Cram as Major.

Sgt. John H. Cox came as Sgt.-Instructor in September from Knoxville, Tennessee. Under his direction the rifle team won second place in the Randolph Hearst Match, and a Sabre Club was organized.

The aim of the Honor Society is to develop scholarship, leadership, service, and character. On the basis of these four qualities the members are chosen from the Senior A, Senior B, and Junior A classes.

During the first semester of the school year, members worked at various schools issuing ration books for the public. In order to keep a record of all Jefferson boys in service, a scrapbook, containing snapshots and clippings, was started with the help of Mrs. Olsen. In addition to these activities, talks were made in the tenth grade homerooms on taking subjects suited to the war effort.

The second semester found members completing the scrapbook and Chronicle Book of Achievements. Magazines were delivered to the hospitals at the army fields.

A seal designating Honor Society membership will be placed on the diplomas of the graduating members.

BEHIND THE SCENES

Not many people know what goes on before a book or magazine is published or a movie is released. Often the "Behind the Scenes" is more thrilling than the finished product itself, for the hardships endured and the handicaps overcome are real and not the product of a fictitious mind.

The Monticello Staff this year has met bottlenecks in almost every phase of annual work—lack of advertisement, lack of film, and lack of staff members themselves. This page is dedicated to the few who accomplished for the many. We also wish to express our appreciation to the following students whose pictures do not appear on this page: Joy Bragg, R. C. Gray, Ernest Cowley.

Introduced to Jefferson seniors this semester was a new 12A English course to replace the old E4A. Seniors now read up-to-date books about this war and fiction. They read the best sellers and the "Book of the Month" selections. When asked about the new course the seniors exclaim it's swell. It gives you a chance to catch up on your reading and to find out what's going on in this world. The English period is spent in reading. Each student reads his own book and, of course, there are the usual book reports which accompany the course. However, Mrs. Wisdom has introduced a new system for reports. Eight reports are required during the entire semester.

ALLIGATOR MEETS SUDDEN DEATH

Warning to alligators! Miss Johnson means sudden death! Recently one alligator ceased to exist and the biology laboratory gained a new specimen when a Jefferson boy brought a live two-foot alligator to Miss Johnson. She skinned him, preserved the internal organs in alcohol, and

handled by members of the Student Council.

A special variety program was offered, featuring Jefferson entertainers. Tony Marino sang "It Can't Be Wrong," "I Heard You Cry Last Night," and "I'll Be Home For Christmas." Marian Dedyne sang "Murder" with Marie Bulloch as pianist. Also featured on the program were LeRoy Smith singing "Paper Doll" and "Put Your Arms Around Me," and Belda Whitted in a hula-hula dance.

...berg, Yolanda Arias, and Thomas Smith spoke on each of the four points of selection. Then Mr. Bailey, city school superintendent, spoke to the student body. His general theme was "Recognize your possibilities and make the most of them."

The newly inducted members are: 12A's, Gloria Franco and Mary Louise Lounsberry; 12B's, Mary Frances Baker, Bennie Ficarotta, Naomi Fountain, Josephin Pullara, Ivy Robles and Mabel Van Sickle. 11A's, Hollis Buchanan, Nita Moye, Vera Rodriguez and Hilda Sanchez.

The "Jeffersonian," Jefferson's bi-weekly newspaper, is published by the journalism class and sponsored by Mrs. Priscilla Donnelly. Gratis copies are mailed to all former students in service.

The Jeffersonian staff has been faced with many difficulties, all directly or indirectly caused by war time limitations, in producing the school newspaper.

Dolive has had a hard time securing film and therefore often found it necessary to borrow cuts from the city dailies. With the ever lengthening roll of boys in service, Bess had quite a time keeping up the address files and licking endless stamps. Merchants already overwhelmed with business were not convinced of their need for advertising, so Ed and Bettie had to resort to new methods of interesting them.

On the other hand, there was plenty of material for Peggy's "Who's Whose"; many appreciative letters from service men and original poems for Vera's "Jefferson Speaks." The full schedules of exciting sports kept Tony busy on the sports page, and reading and digesting the exchange papers from other schools took most of Gloria's time.

In spite of the rush to meet deadlines and the eternal need for additional news stories, every member of the staff counts his experiences on the Jeffersonian among the most valuable.

QUILL AND SCROLL

Through the efforts of Mrs. Priscilla Donnelly, six Jefferson girls had the privilege of being the first students of the three Tampa High schools to be admitted into the International Honorary Society for High School Journalists—Quill and Scroll. These girls, members of the hard-working Jeffersonian Staff, were introduced in a special assembly during the first semester of the school year.

In order to become a Quill and Scroll students must be of at least a Junior standing, must be in the upper third of their class in general scholastic standing at the time of their election, must have done superior work in some phase of journalistic or creative endeavor, must be recommended by the supervisor or committee governing publications, and must be approved by the Executive Secretary.

Members of both the Monticello and Jeffersonian staffs worked diligently to meet these requirements, and as a reward for their efforts nine new members were inducted during the second semester.

Plans have been made to organize a Jefferson chapter of Quill and Scroll in which members can intelligently discuss the journalistic problems of both the high school newspaper and annual.

Charter members of the Jefferson Chapter of Quill and Scroll are: *Left to Right*: Peggy Sipple, Peggy Anderson, Mary Frances Baker, Ellen Rae Price, Barbara Gilkison. Seated: Dee Dee Roop.

KIWANETTES

President—Adrienne Blumberg

Vice-President—Naomi Fountain

Secretary—Mary Frances Baker

Treasurer—Peggy Anderson, May Smith

Sponsor—Mrs. Priscilla Donnelly

The Kiwanette Club, which is sponsored by the Kiwanees, has as its purpose *service*, both to the school and to the community. However, we have combined work with pleasure and by giving dances, box suppers, and various other parties, we have been able to further our main project for the year, the purchase of an artificial limb. We also have been working at the rationing board one afternoon each week.

In addition to night meetings and socials held at our members' homes, we met once a month with the Kiwanettes of Plant and Hillsborough held at a downtown cafeteria, at which time we exchange ideas and make plans for cooperation as a whole in community work.

Our membership, which is based on scholarship, is limited to fifteen girls—seven senior, five juniors, and three sophomores.

Gray, Peter Mendoza, Lawrence Dickson.

The Key Club began in Jefferson in September of 1941 under the sponsorship of the Kiwanis Club and the faculty direction of Mr. Donald Colman. It is composed of those boys who have proven themselves outstanding in school leadership. The boys are selected from each grade.

Some of the projects undertaken during the past year include: A Christmas dance; a "Blondie" moving picture; a banquet for new members; and a party.

Each year the club selects two boys to represent Jefferson at the Florida State Key Club Convention, which was held in Gainesville, this year. Thomas Smith and Iby Robles were selected to represent Jefferson this year.

The members of the club are chosen by the faculty, and approved by all members before they are inducted.

STUDENT COUNCIL

The aim of the Student Council is to strengthen student relationships, not only in our own school but also with other schools. Through the council the desires of the student body are accomplished, and school spirit is encouraged.

The first semester found us giving dances, sponsoring plant sales, and collecting funds in order to furnish a girls' lounge. This was such a huge success and so popular that during the close of the first semester we undertook a boys' lounge, which proved equally enjoyable.

The second semester the Student Council also continued sponsoring dances and flower sales as well as a movie. The school seals, ordered earlier in the year, have arrived and are being sold.

Our Student Council meets jointly with those of Plant and Hillsborough in order to exchange ideas and discuss various plans.

GIRL RESERVES

Girl Reserves found a very useful and pleasant way of helping the war effort in their main project for the year by becoming junior nurses aides in three Tampa hospitals. They are very grateful to Miss Keel, head of the Tampa Girl Reserves, who secured permission for the girls to serve.

During the year many parties, dances, and other forms of entertainment were held and at Christmas time girls from the three high schools went caroling at the Old People's Home.

Previously membership was voluntary, but now new members are suggested and approved by the club. Officers are elected each semester.

PAN-AMERICAN CLUB

The Pan-American Club has as its primary purpose the promotion of Pan-Americanism among the students, for they realize the important part which Tampa will play in Pan-American relations after the war. The Pan-American League furnishes them with various articles containing valuable information on many topics.

Members have also interested themselves in promoting the sale of defense bonds and stamps in their homerooms. Officers are elected each semester.

D. C. T. CLUB

The purpose of D.C.T. is to provide work experience in chosen vocational fields to students who are still attending high school. The Jefferson D.C.T. program consists of about forty carefully selected students with these qualifications: 11B over 16 when entering program; C average or better; definite vocational goals; consent of parents; and approval of Mr. Waters. Officers for the past year were Dolive Funk, *President;* Louis Perez, *Vice-President;* Lydia Sarabia, *Secretary;* Katherine Brown, *Treasurer;* Doris Parr, *Sergeant-at-Arms.* Amadeo Mendez, Jefferson member was elected state vice-president.

PRESIDENT'S CLUB

As the name suggests, the President's Club is composed of those students who are elected presiding officers in the various school organizations. Presidents and their respective organizations are as follows: Nancy Taylor, *Girl Reserves;* Mary Frances Baker, *Student Council and Victory Corps;* Adrienne Blumberg, *Kiwanettes and Honor Society;* Hilda Sanchez, *Pan-American Club;* and Thomas Smith, *Key Club.*

MERRY MELODIES

In the Glee Club musical talent as well as poise gained from public performances are developed. This year appearances before the professional Woman's Club, County Council P.T.A., Thomas Edison School, and University Women's Club were well received. "Variety" programs were presented in school assemblies as well as a Christmas program with living pictures illustrating the songs.

Funds were raised by means of a school dance to purchase robes to supplement satin robes already in use.

Boys who credit Glee Club training furnishing them with ability to meet demands of Army and Navy Glee Clubs are: Robert Delgado, Armando Rodriquez, Tony Marino, Tony Perez, and Louis Torres.

Those members who received the Glee Club Lyre for four semesters' faithful service are: May Langford, Marie Muller, and Marion DeDyne.

Dot James was the outstanding soloist of the year.

Wilma Spartman, Orville Taylor, Gloria Pena, Calixto Diaz, Charles Fisher, Robert Young, Douglas Bare, Irene Hernandez, Pansy Ynclan, Meredith Jobe, Frieda McDowall, Peter Rodriquez, Mike Diaz.

The Jefferson Band, under the direction of Mrs. Sarah Tyler Webb. with Billy White as drum major, has kept the Jefferson spirit going by participating in school activities and various other programs such as: football games, P.T.A., the annual R.O.T.C. Sponsors' Parade, the Red Cross Benefit Show, and many of the assemblies.

There are fifty-five members, including fifteen who have earned the beautiful gold and blue lyres for their outstanding services in the past two years. The Band now practices in the new sound proof room.

It successfully presented "Victory Varieties," a show which is given annually. This has enabled them to procure musical instruments and add to the musical library.

FOR STRAINS

Our orchestra, under the direction of Mrs. Sarah Tyler Webb, has improved greatly during the last year. We have entertained on assembly programs, visited Lee and Henderson schools and played for them, and we have played for P.T.A. meetings.

We now have twenty-one members. Manuel Fojace, Louis Noriega, Margaret Groh, Nell Brinson, and René Dibut playing the violin; Frieda McDowell the viola; Bert Diffenworth and Ernest Cowley the celo; Dale Parham the bells, Frank Potter the flute; Alma Ynclan, Agnes Heyns, and Wilma Spartman the clarinet; Marie Bullock and Dorothy Murrell the piano; Lonnie Rowell the drums; Herbert Williams the base violin; Jack Berger the trombone, Billy White and Gloria Pena the trumpet and Ed Caraway the sousaphone.

Ernest Cowley is Student Director of the orchestra.

THE TEAM

In the fall of 1943 the Jefferson Golden Dragons were admitted into the Big Ten Conference. A number of boys who were expected to play on the team either joined the Navy or failed to return to school in September. Consequently the team had only one victory—over Clearwater. However the inexperienced boys played hard and tough ball in one of the heaviest schedules in the history of our school. Had our kicking been up to par earlier in the season, we would have had more wins. The 1944 spring drills show promise for a successful season if the fall drills are as good.

First Row, *Left to Right*: Joe Saladino, Byron Dawkins, Blackie Mirabello, Marvin Dawkins, Gonzalo Fulguira, Mario Charboiner, Pete Cimino, Bobby Ross, Julian Shamberg, Frank Faza. GIRLS J CLUB

This year there were only five girls in the J Club. All five are cheerleaders who earned their letters by cooperating wholeheartedly with the athletic department. They are: *Left to Right*: Peggy Sipple, Isabel Carter, Dee Dee Roop, Joyce Brantly. Betty Bridges is not shown.

The '44 team was not as successful as the one in '43, due to the fact that many of the boys expected to star joined the service. Although the team had a hard schedule they worked up to the semi-finals in the Regional Tournament. The hard fighting Dragons won only one of the two games in the Big Ten Tournament. They played the games to the best of their ability and were tough opponents for the teams that defeated them. Win or lose, we're all proud of our basketball team.

The Victory Corps under the sponsorship of Mrs. Selina Klein, has developed into the most representative organization in Jefferson. To be considered an active member a person must put in 36 hours a semester in war work. In this way members have contributed valuable assistance to the ration board, Red Cross, playground nurseries, and the defense council. Through the cooperation of the students and faculty, the Victory Corps has opened new and varied fields to the youth of high school age seeking to help in the war effort.

Intelligent Advertising
Is Low Cost Selling . . .

To send salesmen to homes of 100,000 Sunday Tribune subscribers would cost many thousands of dollars.

To mail postcards to these subscribers would cost $1000 . . . (One cent per subscriber)

To run a full page ad in the Sunday Tribune would cost less than half the cost of postcards and far below the cost for salesmen . . . *(Less than one-half cent per subscriber.)*

Where low-cost selling is essential to mass production, intelligent advertising contributed directly to America's high standard of living.
